Minutes of the First meeting of the Internal Quality Assurance Cell (IQAC) held on 20th July 2018, NAAC Room 4 floor, DGET Degree College Building

1. The meeting started with the Chairperson extending a hearty welcome to all the members. She thanked them for sparing their valuable time to attend the meeting. She informed the members that the IQAC has already been constituted for enhancement of the quality through various initiatives in the organization. She also apprised the members of the purpose and objective of the IQAC. The member secretary explained the main functioning of the IQAC in terms of NAAC guidelines.
2. IQAC organizing secretary presented the latest draft of the **Anti-Ragging policy guidelines** of the institute for discussion. Members believed that since the guidelines were as prescribed by the University of Mumbai, they could be adopted and implemented immediately without further deliberation. All committee members unanimously agreed to the proposal. The Anti-Ragging Policy was to be considered as adopted and implemented with immediate effect.
3. Academic and non-academic activities for the semester were discussed and planning for their conduction was delegated to respective departments and committees.
4. The Alumni representatives proposed that since the students travel far and wide to reach college and see the ongoing rainy season, free bus service could be provided to students from a common pick-up point to bring them to college. Other members agreed with the proposition, which was accepted, and the organizing secretary noted it to be passed on to the relevant department.
5. No additional agenda was proposed by any member for discussion.
6. The meeting ended with a vote of thanks to the chair.
